RIVER ROCKS . . .

From the August 7th "Born in the U.S.A." concert to the spring announcement that the Rock-n-Roll Hall of Fame would be housed in Cleveland, Rock-n-Roll was a part of the everyday life of the typical Rocky River High School student. It was a year in which Bruce Springsteen excited 71,000 at Cleveland's Municipal Stadium. It was the year of Band Aid, Live Aid, Farm Aid and Hands Across America when rockers joined forces to raise money for Ethiopia, for farmers and for the poor.

RIVER ROCKS . . .

May 5th 1986. Hall of Fame Foundation members electrify the crowd with the announcement that Cleveland will be the site of the proposed Rock and Roll Hall of Fame. The momentum started last fall as WMMS & rival radio stations banded together to circulate petitions. Over 660,000 Greater Clevelanders signed. The momentum built again in early spring with a downtown "Moon Dog Coronation Ball" designed to commemorate Alan Freed's original concert on March 21st, 1952 and a call-in poll sponsored by USA TODAY. Cleveland outdistanced all eight cities, overwhelming 2nd place Memphis by a 15 to 1 margin.

Bobby Harper, a Rocky River freshman, appeared on the school show, "River Current", on December 16, 1985 to talk about his experience with fossils and to explain his membership in The Fossil Society. In early December, Bobby went to his brother's school and talked to the first graders about fossils. He showed the movie "Fossil Story", which the students thoroughly enjoyed. According to Bobby, "The kids were very quiet and patient." To reward them for their attention, Bobby gave each of them a fossil to keep. It seems that even young Rocky River students are interested in "old rocks!"

SENIORS

The 1986 Homecoming Queen was Joanne Gulstrand.

On the eve of Homecoming, a parade left the high school at 7 p.m. and marched to City Hall. The bands, cheerleaders, flags, pom-poms, and fall sports teams were represented as were the three A.F.S. students. Each exchange student carried the flag of his or her home country. At 7:30 p.m. a blazing bonfire consumed the effigy of the opposing bulldog. Rain didn't dampen the spirits of the excited crowd.

On Saturday, October 5th, the long-awaited homecoming game began with the presentation of Queen Joanne Gulstrand and her court. With a rousing performance by the marching band, the Pirates easily defeated the Olmsted Falls Bulldogs by a score of 9-3. The Homecoming dance concluded the Spirit Week activities as River "Rocked" to the theme of American Graffiti in the High School's main gym.

HOMECOMING DAY

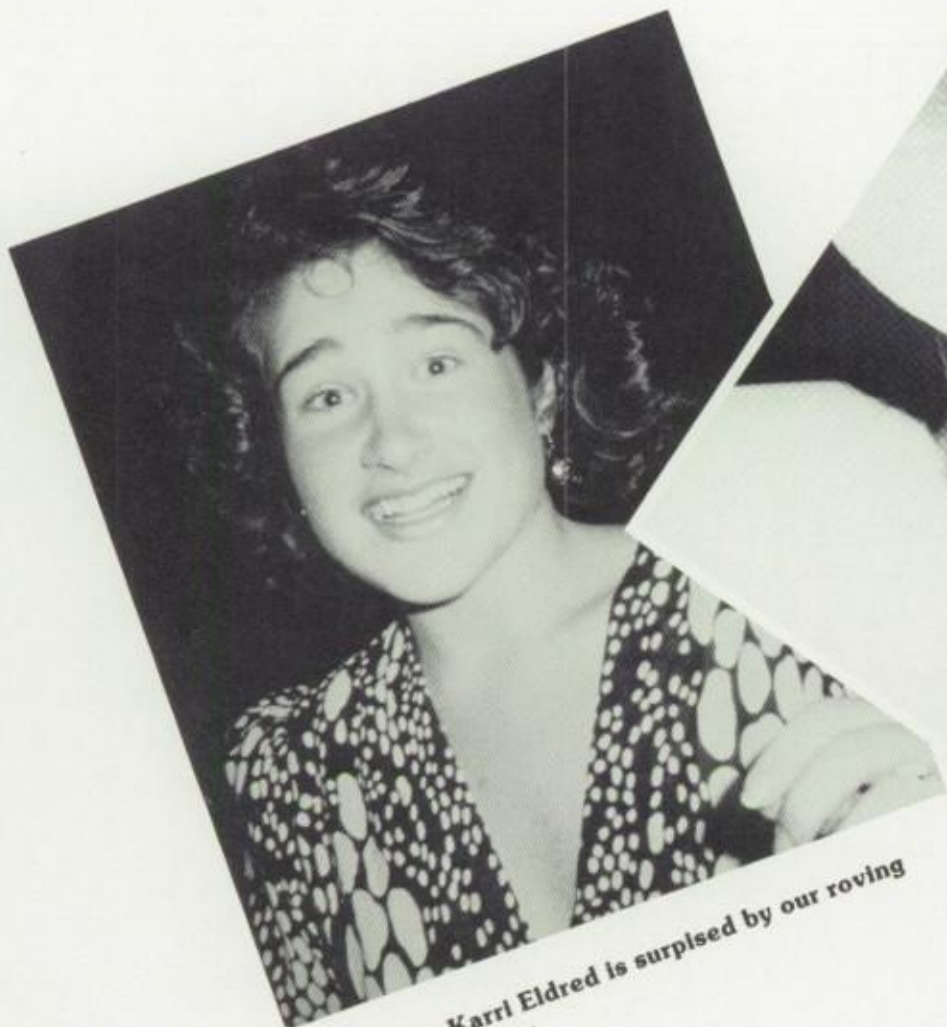

"I'm so happy" describes proud Homecoming Queen Joanne Gulstrand as she and her mother are introduced to the crowd.

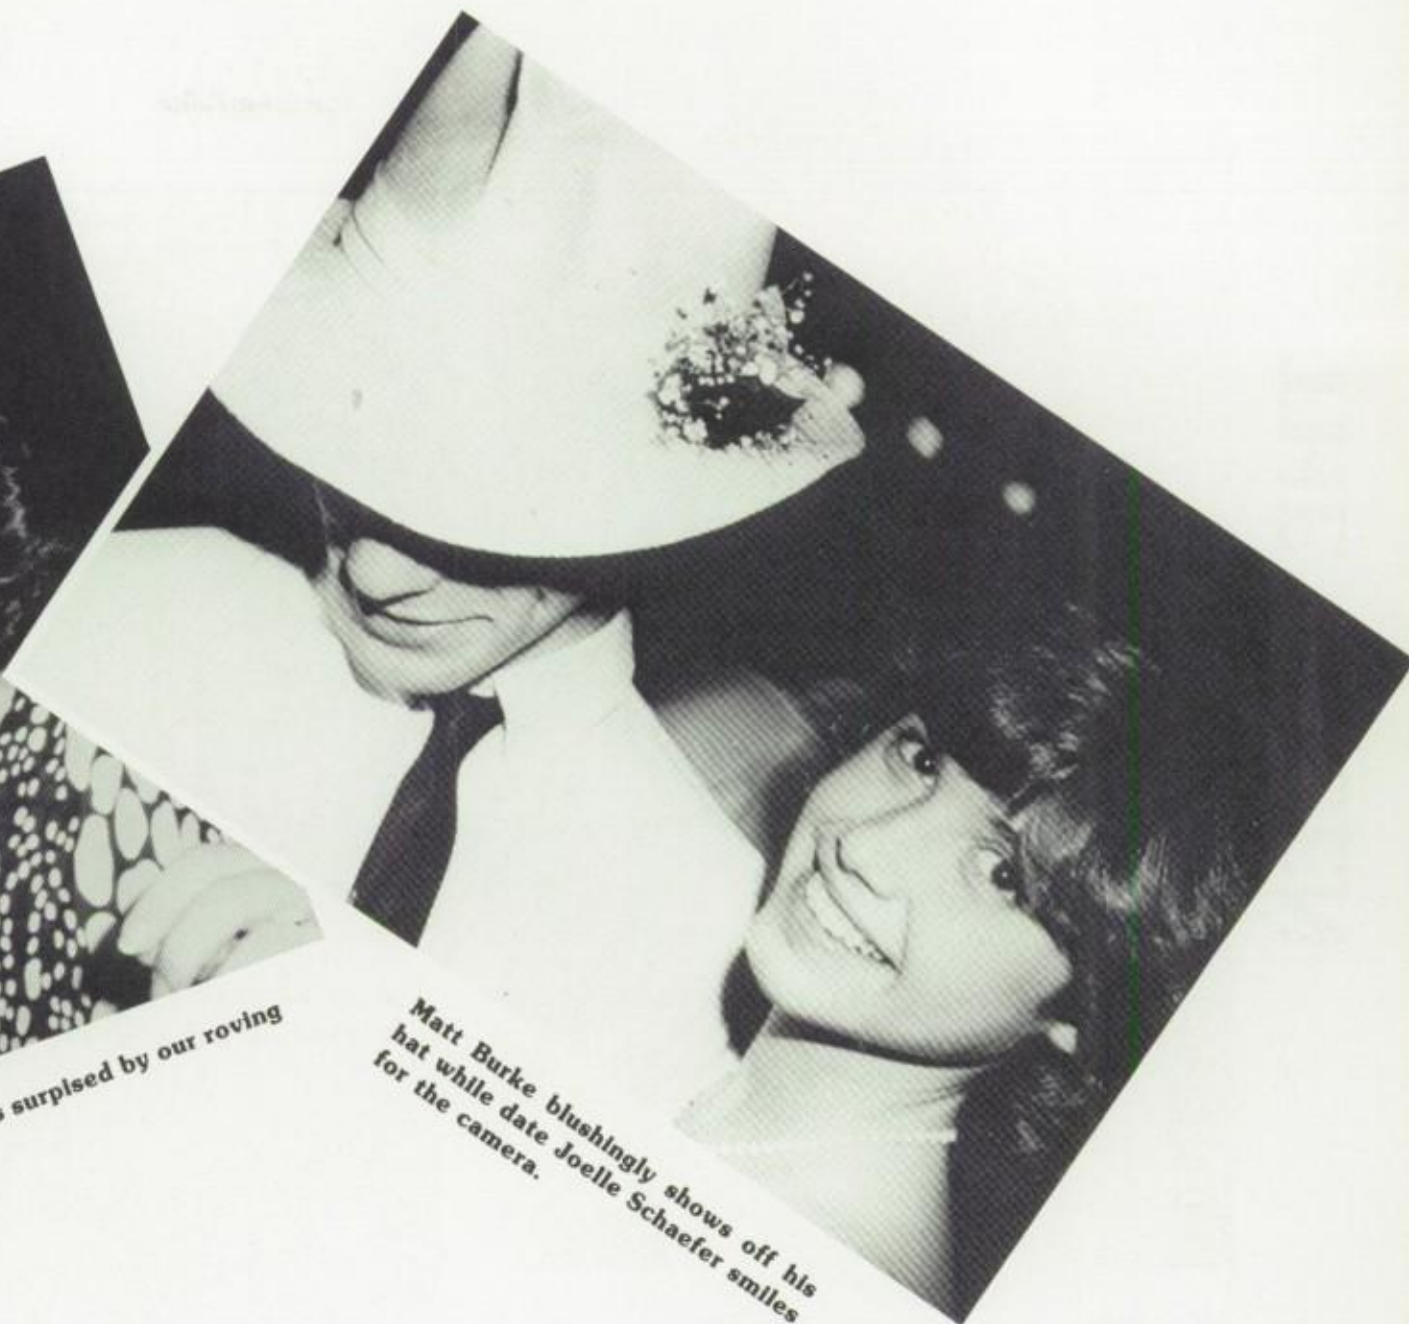

At the homecoming game the band forms a circle of unity & plays "We Are the World."

The Rocky River Whiz Quiz/Academic Challenge Team completed another successful season this year. Although they lost their match on Academic Challenge, they rebounded with a sound victory over St. Edward High School on the Whiz Quiz Radio Show. By virtue of a 570-250 massacre of Unlontown Lake High School, the Rocky River team stormed into the quarterfinal round of the tournament. River pulverized Brecksville in the quarters 400-170, and then proceeded to annihilate Mentor by a record-shattering score of 620-280. In the championship however, River bowed to archrival Beachwood, to finish second overall out of forty teams. This loss was the first in three years. Overall the team grossed in excess of \$21,000 in scholarship funds for RRHS. Under coach and mentor Dennis Kraynak, the team hopes to regain its championship title next season.

ACADEMIC DECATHALON

River High should be proud of the achievements of the Academic Decathlon team. They competed at the Ohio Academic Decathlon at Shaker Heights High School on February 15th. The students took part in essays and multiple choice tests and gave speeches in English, science, math, economics, social studies and fine arts. The awards banquet was on February 22nd at Stouffer's Inn on the Square. The team was awarded 14th place in the state in only their second year of competition. Ted Roese placed 3rd in the science and the fine arts categories. The highest total scorer for River was Rosy Hong. The Decathlon gave the students the opportunity to excel academically. Dan Skwire and Kathy Siedel competed in the Honor category with Rosy Hong as the alternate. Shannon Orin and Jim Tsai were in the scholastic category. Lara Palay and Ted Roese competed in the Varsity category. Advisor Mrs. Jason helped to prepare the team for the Decathlon.

The Spanish Club activities during 1985-1986 included a field trip to "Chi-Chi's" and one meeting for the entire membership. Nevertheless, Steve Towell, President, Rob Watkins, Vice-President, Scott Reusser, Treasurer, and Audrey Rusnak, Secretary, planned the events for the club. Senor Cornwell served as advisor for the officers who worked so hard to make the club what it is today.

They took part in daily study visits to the House of Representatives, the Senate, the Capitol, and other federal agencies. The participants explored Washington D.C.'s rich cultural, political, and historical resources. The Close Up program gave the students the opportunity to make new friends and gain new insights into how others view the world.

ORCHESTRA

RIVER MUSICIANS EXCEL

Concert band consists of two instrumental groups, the symphonic band and the wind ensemble. To become a part of the wind ensemble auditions are necessary. Rocky River High School was represented at the SWC band concert by 10 musicians. The seniors included Mark Ruesink, Shireen Behzadi, Ted Roese, Amy LaMotte, Kathy Littrizza, Linda Metzger, Mark Meilander, and Missy Petty. The juniors selected were Mark Gustafarro and Matt Gray. The talent exhibited by the underclassmen in the symphonic band will make next year exciting.

Although the enrollment of the orchestra was low, its six members exhibited much talent. The orchestra performed in the Christmas concert, the All-Schools' Orchestra Concert and many other concerts throughout the year. Rocky River High School was represented by sophomore cellist Deborah Ardussi at a concert presented by the Northeast Region. Members of this orchestra were selected by instrumentalists in the northeastern Ohio area. Hopefully next year new members will supplement the fine talent of the orchestra.

CONCERT CHOIR

Concert Choir kept busy for the entire school year. Their hard work and dilligence really paid off. One of their accomplishments was the Concert taped in December at WUAB-TV, channel 43 for a show aired on Christmas Eve. This performance is one that the director Mr. Muth and choir members hope to turn into an annual tradition. Members sold cookies and candy to help finance their trip to Chicago where they competed with choirs from other states in the Six Flags All-American Choir Festival. They received an excellent rating and placed second runner-up. While in Chicago, the choir students also had the opportunity to shop, see a musical, and have some fun at the Six Flags Amusement Park. Along with River's Edge, Rocky River's own show choir, the concert choir held it's annual Pops concert in May. At the end of the concert they stunned the audience by singing "We are the World" and collecting contributions for Hands Across America.

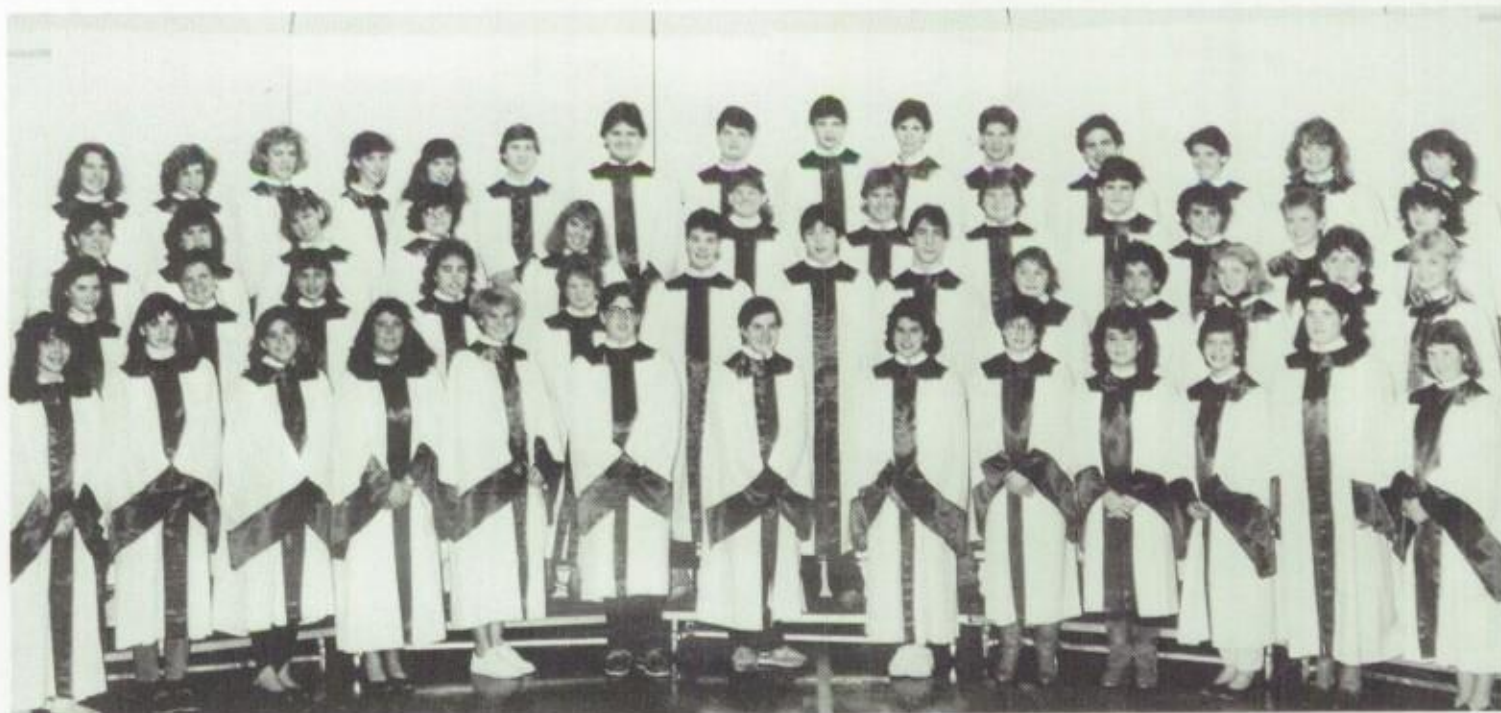

The Concert Choir performed with polish at the 1985 Christmas concert.

Junior Chris "Guido" Lambros was very handy this year as a helper to Mr. Muth.

SHOW CHOIR

The Rocky River High School Show Choir River's Edge was formed in January of 1981 by Ronald H. Muth, it's director. The group is composed of 27 students from 10th to 12th grade. These talented singers do all their own choreography. This year Ted Roese was assistant director and Jennie Bowers was head choreographer. The choir puts together a show at the beginning of the school year and performs this show from November through June. They perform most of their shows in the Greater Cleveland area at festivals, workshops, clinics and for charity groups. This winter River's Edge also performed at Ohio State University. In May, the show choir participated in a contest in Chicago where they received superior ratings. One of their final performances was at the annual Pops concert in May. Rocky River High School should be proud of these talented students.

TEEN INSTITUTE or "T.I." is an organization in which the students involved make a strong statement about the use of alcohol and drugs. Their goal is to make everyone in the school and community aware of the use and abuse of these substances and the harmful effects that they have on personal health and family life. Under the supervision of Mr. Large, T.I. held two presentations, 1 for junior high students and a "mini-institute" for the freshman class. "If only one person learns something from these presentations then its worth all of our time and effort," says T.I. member Michelle DiSalvo.

Rocky River High School is proud to be one of the approximately 45 S.A.D.D.(Students Against Drunk Driving Chapters in Northeast Ohio.

S.A.D.D.'s philosophy is that "drinking and driving can kill a friendship." S.A.D.D. members believe that a student shouldn't be in the car with an intoxicated driver nor should they let that person drive. Several members attended a S.A.D.D. convention this spring with advisor Mrs. Mihocik at the Front Row theatre. One of the projects that members are working on for the 1986-87 school year is SAFERIDE, a ride home for teenagers in the community who aren't able to find a sober ride home.

Senior Class of 1986

The executive office of the Sr. Class of 1986 and the Class Cabinet would like to thank its members for their effort in milling around and making this an incredible year. Behind its motto, "Least labor, Highest yield" the class responded with unparalleled success. A new "school record" was set in the magazine sale, a record turnout at the Winter Formal, the Josten's Display of the Month Award, and most impressive were the 100+ FREE Prom tickets to see "pieces of Eight." These are among the successes of this class. The rest of the highlights and dubious distinctions bestowed upon us are too many to remember, even if we could.

Good Luck,

Todd W. Milenius, Chairman & CEO

RIVER CURRENT

RIVER STUDENTS AID COMMUNITY

The River Current is run by the ten members of the broadcasting class and their advisor, Mr. Kraynak. The weekly television show informs the community of local news and events. The production gives the class practical experience.

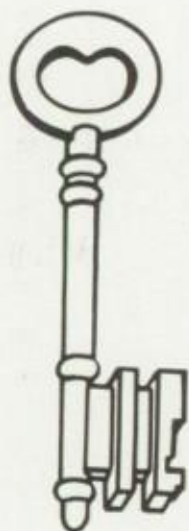

The Key Club, a high school service organization sponsored by the Kiwanis, is dedicated to serving the home, school, and community. The Rocky River High School Key Club is setting out to do just that. They are also having fun and forming friendships that come from the hard work and responsibility of arranging projects, setting up meetings, and inter-relating with other clubs from different high schools.

1986 is to be the first year for the Key Club at River High. An induction banquet, numerous bake sales, and sponsoring a dance are on their agenda for the coming year. President Adam Armishaw and faculty advisors Mr. Dooley and Mr. Kelly are optimistic about the future of this club. The Key Club Officers were Adam Armishaw, President; John Rayle, Vice-President; Robert Kormos, Second Vice-President; and Marlo Paine, Secretary-Treasurer.

Under the direction of class president Todd W. Milenius, vice-president D. Michael Harris, secretary Caroline McMeekin and treasurer Phil Harris, the 257 members of the class of '86 rocked to reach and surpass their fund-raising goal of \$12,000 in magazine sales. Over 100 seniors, 40% of the class, earned free tickets to the prom due to their fund-raising efforts. Free tickets to the Winter Formal, held February 1st, were also awarded to all members of Mrs. Clark's A.G., cafeteria B, all of whom sold their quota of four magazines. The class of 1986 also posed for the traditional class picture and sold class jerseys to raise funds for the end of the year activities.

This year's prom was held on Friday, May 23rd at the Bond Court Hotel. In keeping with tradition, the June 8th Baccalaureate service was held at the Rocky River United Methodist Church while Commencement on June 13th took place at the Lakewood High School Auditorium.

Todd Milenius set a new home course record for River this year-14.80. Way to go Todd!!

Led by coaches Mike Foley and Joan Simpson, the Cross Country teams completed another winning season this year. The girls excellent record combined 8 wins with only 3 losses. The boys finished the season with a fantastic 9-3 record. Todd Milenius and Christa Erml were selected as the SWC Scholar Athletes. Todd and Christa, along with Julie Connor not only took SWC First Team honors, but were State Qualifiers as well. These three fine athletes, along with the combined efforts of the boys and girls cross country teams ended with a victorious season.

The Rocky River Varsity Soccer team made the 1985 season a smashing success with a team record of 12-6-1, the best since 1980. Heart-breaking losses occurred against arch-rival, North Olmsted at sectionals and at home, & against Bay. The one tie game against Avon Lake may have resulted from a wake-up breakfast served that morning by the cheerleaders, where the boys were served quiche, and real men don't eat quiche, right?

Life on the soccer team wasn't all fun and games, though. The team practiced long and hard, and their record shows it! Co- captains Steve Kretz and Trevor Stohr had a great bunch of skilled and talented teammates to work with, and congratulations, of course, are in order to Coach Gillespie for his great coaching job!

This year's golf season for River wasn't full of many victories, yet it was full of team members who still stuck to the game and worked at it consistently. They even managed to have a good time through thick and thin.

The team's coach was Dick Stuewe. Its captains were the three seniors, Jay Schriner, Colleen Murnane, and Phil Harris. One of the captains was recognized as the athlete scholar of the team, Colleen Murnane. Good job, Colleen! The team participated in the SWC and sectionals and placed thirteenth out of fifteen. They only had one victory in their season and that was against Avon.

The Boy's Basketball team showed a promising season in the beginning with a win over Brooklyn, the first game of the season. From there on it was a tough season losing against quite a number of teams and making a strong come back in the end with strong wins over Medina and North Olmsted. Individual accomplishments were the high points of the season. Greg Helms received the SWC All-Scholastic Award by maintaining the highest Grade Point Average on the team and also receiving a letter.

Brad Hajostek was filled with confidence scoring 40 points in the North Olmsted game played at home. He was nominated and chosen to be the Plain Dealer Player of the Week. The Pirate Roundballers journeyed on to the Admiral King Tournament gaining a strong win over Midview. They ventured on to the second round losing against Admiral King High School. Despite the losing season, Co-Captains Andy Connelly and Tim Keane kept the spirit of the team going.

THE FEW, THE DEDICATED, THE WRESTLING TEAM

The River wrestling team posted a 6-7-1 record in a season distinguished by team dedication and individual triumphs. Senior Captains, Dave Smole and Tim Connelly, led a team that included only two other seniors, Tim Patton and Ken Mader. Perhaps the team's greatest victory came in overcoming a deficit of twelve to thirty points from forfeitures in unfilled weight classes. "This was achieved," said Coach Dale Hlavin, "by the team's attitude and willingness to work. This is one of my proudest years at River because of the accomplishments, not necessarily in winning or losing, but in the togetherness and overall pride and confidence the wrestlers displayed in themselves and their teammates".

Several individuals made their marks in conference and district competition. Tim Connelly, undefeated in the SWC over his three-year career, has broken many school records. He had an excellent season and qualified for districts.

Dave Smole, chosen the SWC scholar-athlete of the year, also had an outstanding year.

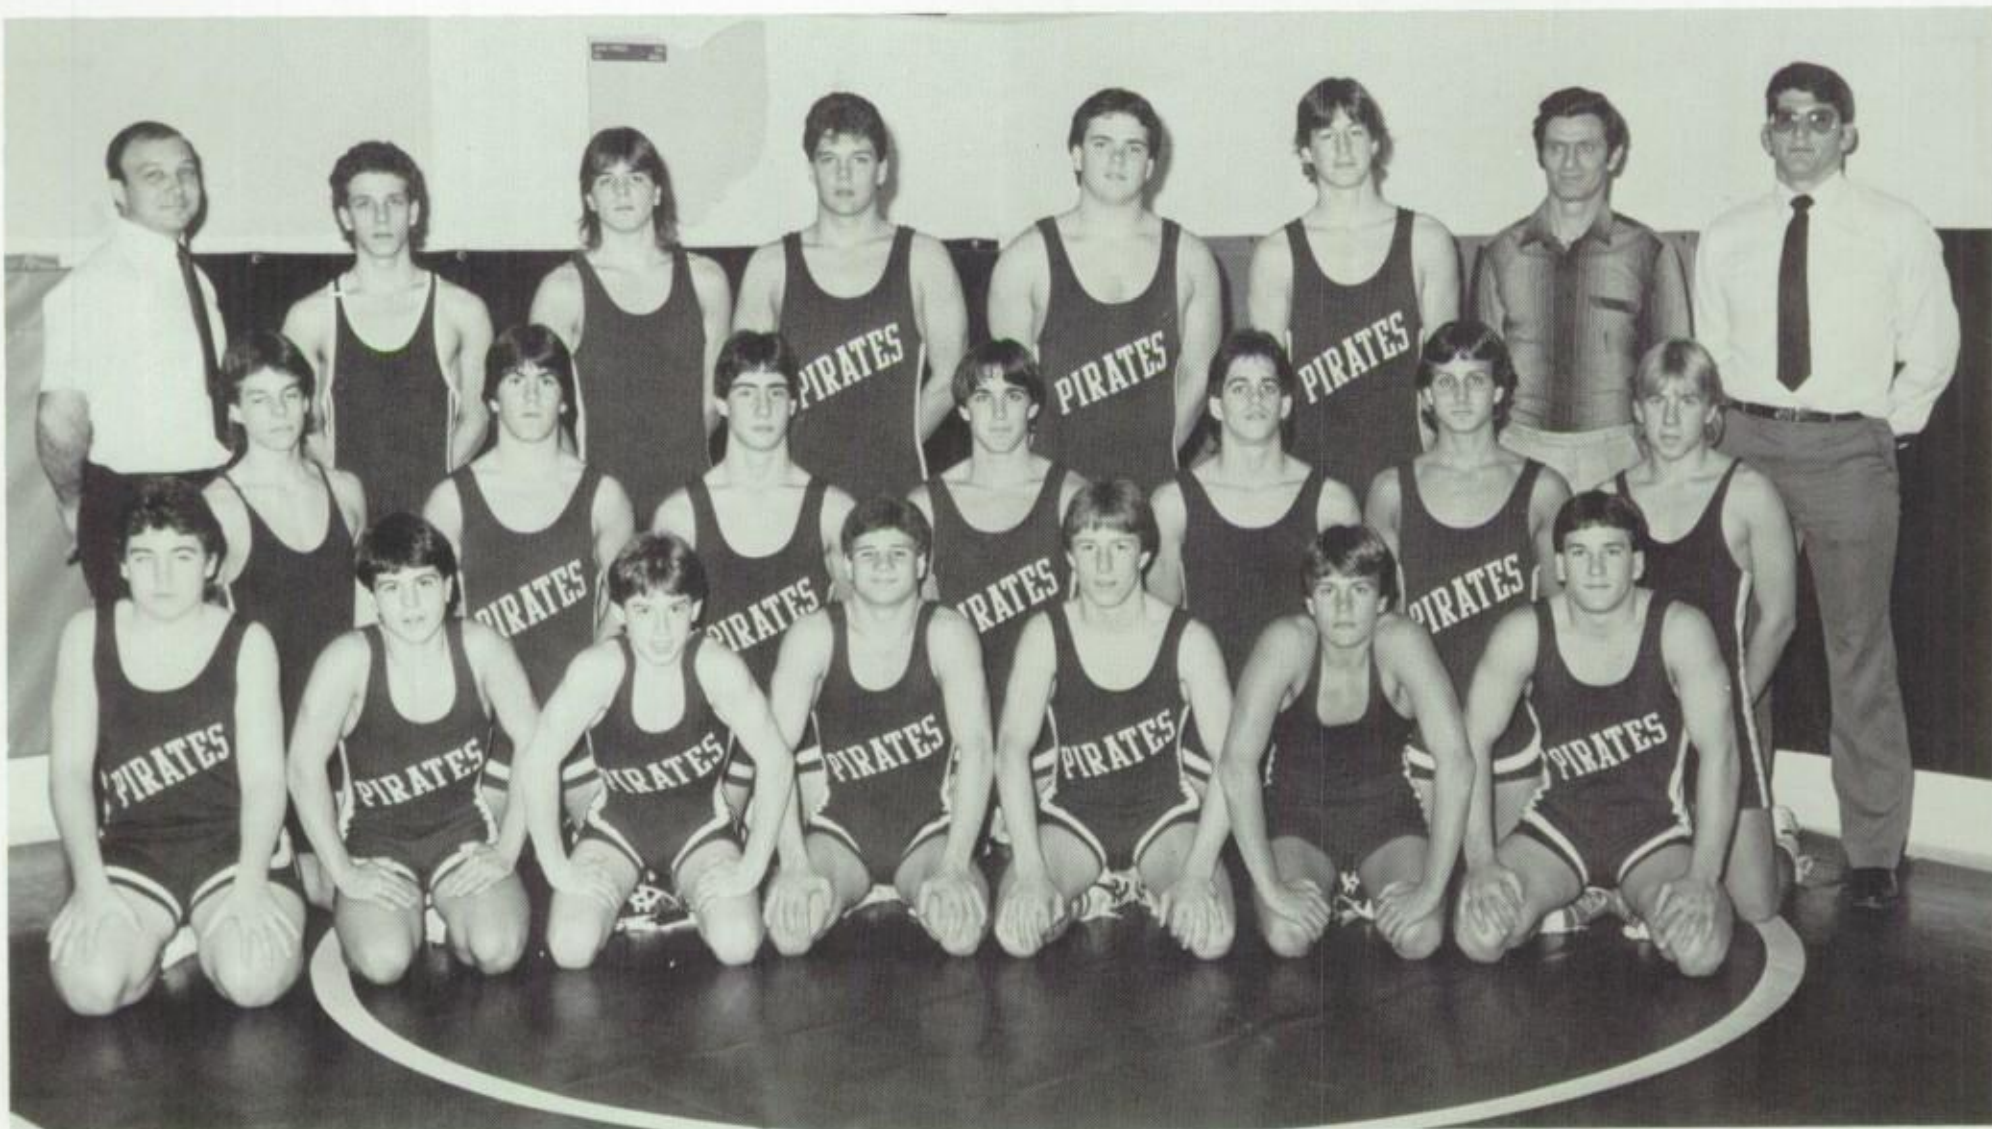

Ken Mader and Tim Patton placed second and third in the SWC, respectively. Junior John Musca placed an impressive fourth at districts. Other promising wrestlers include Dave Hew, Darren Harris, Todd Hayes, and Mark Dumonthier. In the Rocky River Holiday Tournament, nine wrestlers entered and seven of them placed.

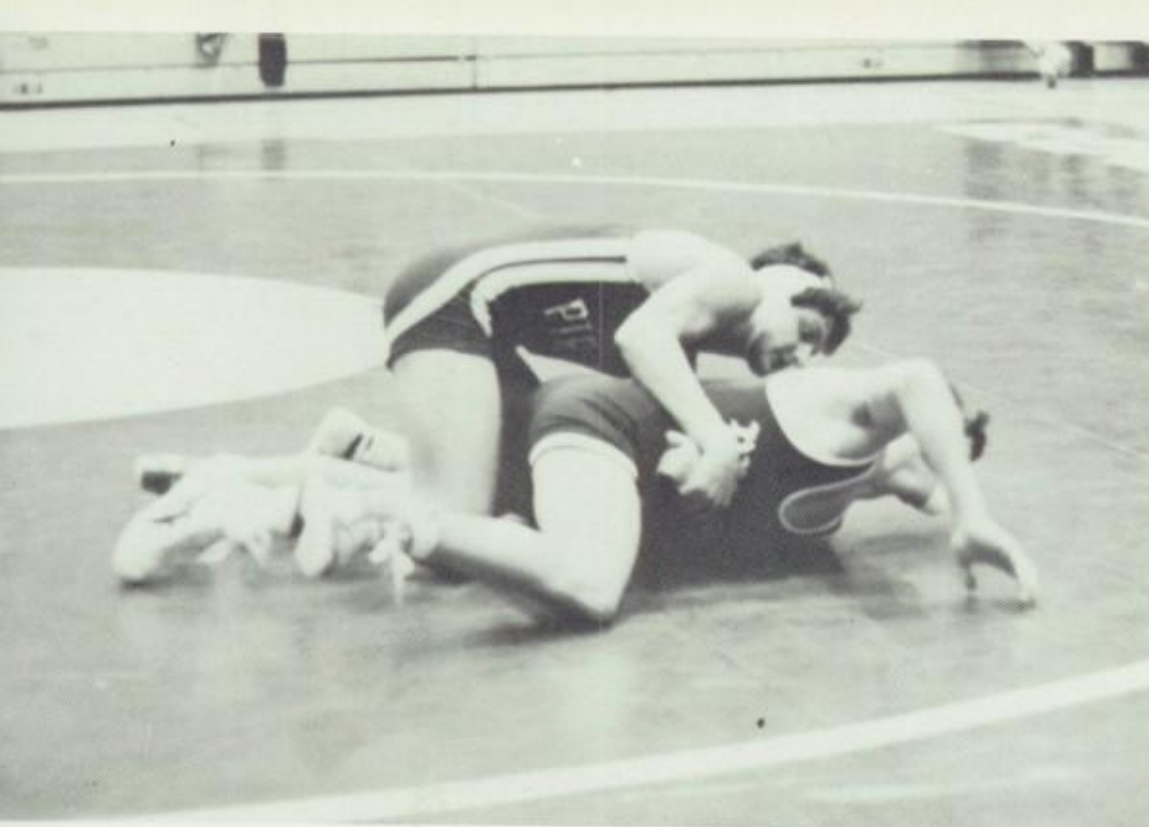

Asked what his happiest moment was, Coach Hlavin responded, "Seeing a young group of kids mature, set goals, overcome obstacles, and work hard." And what is in store for the future? "The future is bright if the current underclass members continue in wrestling and give to the sport what the sport gives to them".

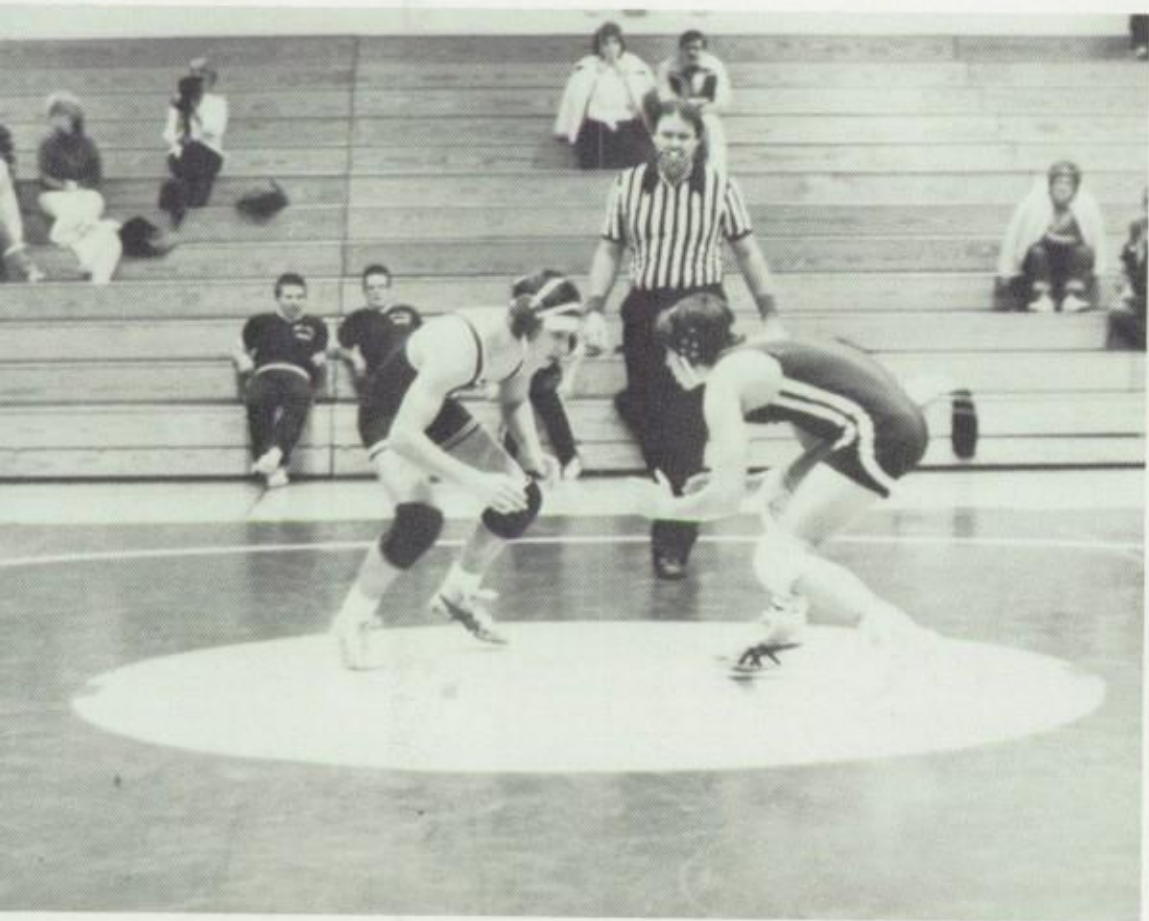

Coach Dale Hlavin congratulates Co- Captain Tim Connelly as he walks off the mat from a win.

Gymnastics

The gymnastics team this year has done very well, for being almost all freshmen. The co-captains were senior, Jenny Novak, and freshman, Lori Slovak. The coach was Lori Haas and her assistant was Sue Umerley.

The season went fairly well for this year's team. They had a perfect compulsory record of 1-0 and placed 5th out of eighteen teams at sectionals. Freshman Patty McDonald went to districts and state. At state, Patty placed 9th on bars, 12th on beam, 10th on floor, and 15th all around.

This is quite an accomplishment for a team of almost all freshmen. Just think, if they're this good now, wait until they're all seniors!

Fresh Biscuits
for breakfast

Here's
 good news
 breakfast lovers!

We're makin' and bakin' fresh biscuits at McDonald's!

That's right—fresh biscuits, made with quality ingredients, dairy-fresh buttermilk and our own special blend of rich flour, baking powder and shortening.

We roll the dough out by hand, cut 'em out and bake 'em till they're golden brown. Then we fill 'em three delicious ways—with sizzling sausage, sausage & egg and bacon, egg & cheese.

Three new biscuits. What a great new way to start your day! Try 'em!

Well, It's over! Thanks for the memories; the journey has just begun . . .

During the four years at River High, we make friends, have had times both good and bad; all memories that we will cherish for years to come. No one can forget all of the great dances, hockey games, and parties. We also can't forget the knowledge that we gain within those years at Rocky River High.

Few will ever forget Prom, Baccalaureate, and graduation. We will always remember those final months spent at River High. The Senior Class of 1986 would only like to extend their assurance that after all of the pranks are pulled and classes are failed-you can still graduate smiling!

GOOD LUCK TO ALL WHO WALK BEHIND US!!!!!!!!!!!!!!
